Sir:

In response to the Office Action dated July 25, 2001, please amend the above-identified application as follows.

IN THE CLAIMS:

Please amend claims 1-6 as follows. Please note that the claims are presented below in their amended form. Furthermore, the claims are presented as an attachment to the Amendment where the amendments are shown using the conventional method of bracketing and underlining.

- B1*
1. (Amended) A title input device for a recording medium, comprising:
 a receiving tuner that receives text broadcasting and outputs received text information;
 a display that displays the received text information output from the receiving tuner;
 a first system controller that stores the received text information in a capturing buffer region when a first key instructs to capture the received text information;
 a second key that selects a target unit of the recording medium to input a title;
 a third key that instructs to call desired received text information from the capturing buffer region; and
